

Minutes of meeting

Over Hulton Neighbourhood Forum

Conference Call

Saturday 16 October 2021 @ 9.30am

TH, DB, DP, CB,MB,

Apologies NT

A call was scheduled to consider the discussion with Elaine Taylor (ET) concerning including the SoS into the neighbourhood plan.

The previous minutes were approved by DP.

CB has advised that ET has been in contact to advise that she recently took part in a webinar about planning matters in heritage landscapes.

It was strongly recommended that a Neighbourhood Plan should contain a Statement of Significance for an Historic Designed Landscape in its area and that she was contacting us to consider it's inclusion in the neighbourhood plan.

The statement of significance for Hulton Park was reviewed by all and everyone agreed that this should be included in the draft plan as it explains to the planners and local residents why Hulton Park is important for many reasons.

CB will contact Troy Planning and send copy of the SoS document to append to the draft plan.

End of meeting
