The Committee met to agree that the following wording/email can be circulated to all our members regarding our next public event on 20th September 2018 at Over Hulton Conservative Club.

Dear Member / Over Hulton Resident,

The Over Hulton Neighbourhood Steering Group invites you to their 2nd resident consultation meetingEVERYONE WELCOME.....
The meeting is taking place on Thursday 20th September, 2018 from 7pm - 9pm at Over Hulton Conservative Club, St Helens Road, Bolton, BL5 1AA.

We will be consulting around the Neighbourhood plan that we are developing on your behalf. This is an opportunity for you to find out more about the Plan which is setting out the community's priorities including housing, green spaces, conservation, leisure facilities, schools, health, transport and local businesses.

Come and have your say and help shape the FUTURE OF OVER HULTON for the next 20 years.

Please get in touch if you could offer a few hours help or are able to give specialist advice to contribute towards the Plan, if so somebody from the Committee will call you back . Please contact via email at overhulton.np@gmail.com or via our Facebook Page.

We look forward to seeing you on the 20th.

Best Wishes

The Over Hulton Neighbourhood Steering Committee

The Over Hulton Neighbourhood Plan reflects community-wide comments, observations and concerns about its future, bringing them together with census information, strategic and statistical evidence into a "living promise" that mirrors the community's overwhelming desire to make Over Hulton an even better place to live and work both now and for future generations.

Historic Policies

Elaine Taylor was welcomed to the meeting and she provided a number of historic policies for us to review in order to use some of them at the public meeting.

Bolton Radio FM

John Bullen from Over Hulton Community Group has contacted CB to advise that Radio Bolton FM are presenting an evening show from the Conservative Club on Wednesday 17 October between 7pm – 10m and wondered if the OHNF would like to be considered a spot on their programme. It was agreed that CB should attend and give an update of the forum and project to date. CB

Troy Planning Consultants

TH confirmed that he was making arrangements for himself and CB to meet the consultants in Manchester over the next few weeks so that they can give us a presentation of the work they could do for us and estimation of their costs.

Date of Next Meeting

To be confirmed
