All previous actions are completed.

DP advised the group of us being made aware of the Council's recommendation of refusal on 26/7/17. A letter has been drafted by DP and will be emailed to Councillor Adia the following contacts in Bolton Council for their attention.

The email to be sent accompanying the letter is below :

Dear Councillor Adia

We are writing to you as the chair of the Executive Cabinet Member Regeneration and Resources meeting to kindly request that the item regarding the Over Hulton Neighbourhood Area and Forum is removed from the agenda forthwith at Wednesday's meeting.

Our rationale is detailed in the attached letter, however in summary we are asking for the item to be deferred to your next meeting as concerns have be raised, leading to a recommendation to refuse our application, which we have not had the opportunity to respond to, nor asked for comment prior to a recommendation being made.

We would appreciate your support on this matter and look forward to receiving your acknowledgement and response.

Many thanks

*Diane Parkinson
Chair - Over Hulton Neighbourhood Forum*
