Conference call with :

Clr Parkinson, C Bevis, S. Williams, Clr T Hewitt, Clr D Bullock
Apologies M Bevis, N Taylor

The draft neighbourhood plan was previously circulated to members of the Forum and a call was scheduled to establish if any further amends were needed before we submit to Bolton Council.

The below minor amends were raised.

Page 4 1st para - space needs indenting between which and has.

Page 13 - bold the number 110.

Page 31 - remove bullets from text boxes and widen the text boxes in line with the others.

Once the amends have been made to the document, it was agreed that CB can email Troy Planning to advise the forum are satisfied for the document to be finally be submitted as per (Regulation 16) together with baseline assessment, character assessment, design guide and code, and statement of significance of Hulton Park.
